

Kostas Kaplanis et al.
Docket 1051ACON
Appl. No. 10/760,124

Remarks

Claims 1 and 2 were previously amended by a Preliminary Amendment filed May 19, 2004, partly to cure confusion between the term "window" and "opening" which, in context, are terms having the same meanings. At that time the term "window" where it appeared was changed to "opening." Counsel recently realized that the claims in copending application no. 10/358,076, filed February 3, 2003, were amended to use "window" instead of "opening."

The purpose of the present amendment is to use the term "window" instead of "opening" to conform to the usage in the claims of application no. 10/358,076. No change in scope is intended.

Respectfully submitted,
